

ACTIVITY 2: The Adventures of Hulu

© Verohana Design

Hi! My name is Hulu. I'm a Palila, a finch-billed Hawaiian honeycreeper. We only live in Hawai'i. I was visiting my cousin at the Keauhou Bird

Conservation Center (KBCC) on Hawai'i

Island. Thanks for helping me find my way home through the maze to Mauna Kea.

When I got home, my auntie asked me how the trip was. Can you make a cartoon that tells the story of my trip home? What did I see? Who did I meet? Was it scary? Was it fun? Did I eat anything yummy on the way? Was it hot or cold, rainy or sunny? Thanks for helping me tell auntie my story.

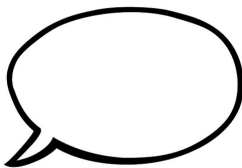

A cartoon template is attached to help you get started.

Till next time, A hui hou!

P.S. You can also make up any story you want to..it doesn't have to be about my trip home!

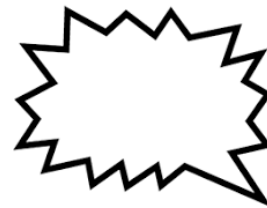

P.P.S. You can draw speech bubbles or thought bubbles in case your characters want to say or think something. They don't have to say words, they can say sounds, too.
